Body

TO ALL DIVISION CHIEFS, DISTRICT AND URBAN ENGINEERS:

A new book of Standard Specifications, Edition of 1961, has just been published and is now available for distribution to all interested parties. Twenty copies are being sent, under separate cover to each of the District offices, 10 copies to the St. Louis Urban Office and several copies to each of the Divisions as required. If additional copies are required, you should submit a requisition in accordance with past practice. A supply of these books is stored in the main garage and shipments will be handled by the Division of Equipment.

The 1961 edition of the specifications become effective for projects in the January 1961 and subsequent lettings.
