Re: **Road Design Standards - State of Missouri**

Dear Mr. Snider:

In the attached letter dated April 22nd, I requested a copy of your standard drawings for reference purposes by the Department of Parks and Recreation of St. Louis County.

On April 27th (letter attached) I was advised by Mr. Leland Fletcher, Division Engineer, Surveys and Plans, that I could not obtain a set of these standard drawings.

Your State Highway Construction Specifications have been purchased from the Missouri State Highway Commission and we would be willing to purchase the standard drawings as well, which would prove very useful to us.

Any assistance you could give us in this matter would be greatly appreciated.

Very truly yours,

Arthur N. Gilbert, P.E.
Chief Engineer
