Surveys and Plans
Policy Procedure and Design Manual
1968 Addition

Gentlemen:

We are pleased to furnish you with one three-volume copy of our Policy Procedure and Design Manual as issued September 1, 1970. Our original manual was first issued January 1, 1961 and is now replaced with this new manual.

It will not be our intention to keep this manual updated.

We hope that this manual will be an informative addition to your library.

Very truly yours,

Robert N. Hunter
Chief Engineer
