Re: Road Design Standards
State of Missouri

Dear Mr. Snider:

Thank you for your letter of May 8th on the above subject.

Since you cannot send us the complete Missouri Highway Design Standards Manual, perhaps you would be kind enough to send us drawings on the following items which are of particular interest to us:

Catch Basins: Culverts: Crib Retaining Walls: curbs and Gutters: Guard Rails

Thank you for your cooperation in this matter.

Very truly yours,

Arthur N. Gilbert, P.E.
Chief Engineer
