

# Design Standards Letter

Letter Number: **D-1972-00**

Letter Date: **12/07/1972**

Effective Date: **12/07/1972**

Section/Plan No.: **None**

Subject: **Curb Termini Inquiry**

Body

-----  
Mr. W. F. Vandelicht:

In response to a recent inquiry by your office concerning curb termini at intersections and ramp termini for diamond interchanges, and island offsets for diamond interchanges, we are enclosing marked prints of Figures 4-05.1 and 4-06.3, which we trust will clarify the intent.

We propose to revise those two figures at a later date.

If you have other questions, please advise.

James F. Roberts  
Division Engineer
