Gentlemen:

Some years ago, your office, located at 1106B Missouri Boulevard in Jefferson City, requested to be included on our mailing list to receive notices of public hearings for all highway improvements within the State. Several notices mailed recently to this address have been returned by the Post Office.

Please advise us if we may delete this address from our statewide mailing list. It may be of interest to you that our ten district offices also maintain additional lists of agencies who receive notices of public hearings which are of interest locally but not statewide.

Very truly yours,

Chief Engineer
