Body

Attached is a copy of a revision to Volume I, Chapter II, Figure 2-02.1.

Figure 2-02.1. Two of the Divisions in the Department of Natural Resources have changed their titles and the address for the Missouri Commission of Tourism has been revised. All of the agencies are included on this figure at the present time.

The use of the low profile curbs on the inside turning radii at intersections should be discontinued. They have proved ineffectual in restricting turning movements. The Design Manual will be revised at a later date.
