

Design Standards Letter

Letter Number: **D-1993-02**

Letter Date: **01/08/1993**

Effective Date: **01/08/1993**

Section/Plan No.: **Pay Items**

Subject: **Computer Stored Bid Items**

Body

Please find enclosed an updated listing of computer stored bid items. The items that have been added, revised, or deleted since the previous listing included in Design Manual Letter No. 5, 1992 dated August 18, 1992 are listed below. A brief summary of each item is included. Bid items not given a specific implementation date may be used immediately.

Added Items:

202-40.20: Adds a bid item for the removal of existing concrete pavement by cold milling. This item is effective with the February, 1993 letting.

202-40.50: Adds a bid item for the cold milling required in the Depth Transitions Special Provision. The temporary number 202-99.99 should no longer be used.

502-30.00: Adds a bid item for Portland Cement Concrete Rumble Strips as implemented by General Letter No. 23, 1992 dated November 18, 1992. This item should be implemented no later than the March, 1993 letting.

609-60.10: Adds a bid item for Type I Rock Ditch Liner as implemented by Design Manual Letter No. 6, 1992 dated November 24, 1992 and General Letter No. 27, 1992 dated December 21, 1992. This item should be implemented on projects beginning with the March, 1993 letting.

609-60.20: Adds a bid item for Type 2 Rock Ditch Liner. See Item Number 609-60.10 for implementation requirements.

609-60.30: Adds a bid item for Type 3 Rock Ditch Liner. See Item Number 609-60.10 for implementation requirements.

609-60.40: Adds a bid item for Type 4 Rock Ditch Liner. See Item Number 609-60.10 for implementation requirements.

609-60.50: Adds a bid item for Bedding Material when Type 3 or Type 4 Rock Ditch Liner is used.

609-20.95: Adds a bid item for filling abandoned sewers with grout.

620-55.01: Adds a bid item for 4 inch solid white thermoplastic marking material. This item is implemented by General Letter No. 21, 1992 dated November 3, 1992.

620-55.02: Adds a bid item for 4 inch intermittent white thermoplastic marking material. See Item Number 620-55.01 for implementation requirements.

620-55.03: Adds a bid item for 4 inch solid yellow thermoplastic marking material. See Item Number 620-55.01 for implementation requirements.

620-55.04: Adds a bid item for 4 inch intermittent yellow thermoplastic material. See Item Number 620-55.01 for implementation requirements.

902-41.70: Adds a bid item for Traffic Signal Controller Assembly Housing, Type 170.

902-41.80: Adds a bid item for Traffic Signal Controller Software Package Type 170, Wapiti.

902-41.81: Adds a bid item for Traffic Signal Controller Software Package Type 170, Bi-Tran.

Revised Items:

206-35.00: Revised the quantity from lump sum to each for the number culverts cleaned

out. This revision is effective with the January, 1992 letting.

403-90.807: The description was revised to Bituminous Rumble Strip in order to differentiate from Concrete Rumble Strips.

902-42.81: The description was revised by deleting the term "modular by function, 8 phase DP controller" which was inadvertently left in the description that was distributed with Design Manual Letter No. 5, 1992 dated August 18, 1992.

Deleted Items:

616-10.80: This bid item for edge drop-off treatment has been deleted. Bid item 609-10.00 for Pavement Edge Treatment replaced 616-10.80.

616-10.90: This bid item for Radar and Display unit has been deleted.

616-10.92: This bid item speed advisory sign has been deleted.
