Table of Contents, Chapter I. Revision date changed to 11-1-98.

Section 1-02 titles, subtitles, and figures have been revised accordingly.

Section 1-02, Project Initialization and Estimating. Revision date changed to 11-1-98.

THIS SECTION HAS BEEN ENTIRELY REVISED. PLEASE REVIEW CAREFULLY.

This section is being distributed for immediate implementation so that you can begin the process of updating all of your projects to a 1999 value. The estimate revisions will be completed in two phases. Projects in the 5 year STIP (2000-2004) must be revised by March 1, 1999. After those are completed, you will need to revise the remainder of the projects in the program database (all 1992 Plan projects) by July 1, 1999.

These revisions that are being incorporated result from the comments of KMPG's audit and our internal quality assurance review of the district estimates.

Figures 1-02.1 and 1-02.2. New date is 11-1-98.

These figures are new and correspond to the revised contents of Section 1-02. **REVIEW CAREFULLY.**
