Letter Number: D-1999-17

Letter Date: 10/06/1999

Effective Date: 10/06/1999

Section/Plan No.: None

Subject: Computer Stored Pay Items

Body

The computer stored pay item catalog described in Project Development Letter No. 16 has a terminology change in all asphalt cement pay items. Asphalt cement was changed to asphalt binder to be in compliance with standard specifications.

All designers and consultants are hereby advised to use this new terminology in all projects. Est99 and the website databases have been updated to reflect this change.

This revision is effective October 1, 1999.
