Body

The following is a summary of revisions to the *Project Development Manual*. All revisions or additions are effective December 1, 1999.

Figure 1-02.1 All dollar values have been modified with an inflation adjustment of 3% and rounded for ease of use. **These modified costs should be used for preparing projects in award years of 2001 through 2003.** The Cost Estimating Task Force will issue additional cost guidelines by April 1, 2000, to assist districts in the preparation of estimates for projects in award years of 2004 through 2005.

The Bridge Structures section was modified by the addition of numerous subsections concerning additional bridge estimating factors.

Sheets 3 and 4 of this figure were added showing the seismic category areas of Missouri. Sheet 4 shows a more detailed version of the St. Louis area.
