NOTE	EXPLANATION
1	The following listing shows item numbers in the computer pay items database (containing both English and Metric pay items) that were added, revised or made obsolete between October 1 and December 31, 2002. The following pay item changes are effective for jobs to be let after July 1, 2003.
2	For pay item revisions that involve only a change in item description, the item number will not change. For a material or process change, or a change in units or type, that will affect the price history of an item, an alphanumeric character will be added at the end of the existing number to indicate a revised item. For example, 403-60.00, if revised would become 403-60.00A. This process eliminates creating an excessive amount of new numbers in the database.

Item Number	Description of Revision
703-44.12	Added English pay item "MEDIAN BARRIER CURB TRANSITION"
703-44.13	Added English pay item "MEDIAN BARRIER CURB TRANSITION (TYPE C)"
703-44.17	Added Metric pay item "MEDIAN BARRIER CURB TRANSITION"
703-44.18	Added Metric pay item "MEDIAN BARRIER CURB TRANSITION (TYPE C)"
