Body

-----  
**TO ALL DESIGNERS AND MR. GWINN:**

**The August 24 letting includes a project on Route I-44, Newton County for two weight station installations. Since the cost of the scale pits and scale(s) are charged to Highway Planning Funds, a note to that effect will be required on the award sheet, and the cost (contract price plus 10 per cent) indicated thereon.**

**On future projects, please indicate on the estimate by proper notation, the item (or items) that are charged to Highway Planning Funds. In most cases, these installations will be a part of a regular road project, and the note on the estimate should enable Mr. Gwinn to pick up the item when preparing the award sheet.**
