Effective Date: **10/05/1961**

Section/Plan No.: **None**

Subject: **Estimates**

Body

-----  
Messrs. Snider, Jenkins, Hendrickson and Gwinn

Instructions were issued today by the Chief Engineer not to change the estimate on any project after the letting until the Committee had had an opportunity to observe the original estimate along with any changes in the estimate that are considered desirable.

It was also suggested that all concerned make every possible effort to eliminate what might be determined errors or oversights in estimates, and I trust any steps you feel necessary will be taken to accomplish this end.
