Subject: **Interstate Signing Manual**

Body

TO ALL DIVISION CHIEFS, DISTRICT AND URBAN ENGINEERS:

Under separate cover we are sending you several copies each of all official interpretations, to date, of the Interstate Signing Manual and changes in the manual which were adopted by the AASHO on November 15, 1960. These are primarily for use of signing designers until issuance of a revised manual.

These interpretations and changes affect the design of all signing work for letting after February 24, 1961 and are to be applied to incompletd signing projects insofar as practicable where the construction is not too far advanced.

The Standard Sign Drawings are being revised in accordance with this data and will be furnished as soon as possible.
