

# Design Standards Letter

**Letter Number: G-1961-28**

**Letter Date: 04/12/1961**

**Effective Date: 04/12/1961**

**Section/Plan No.: None**

**Subject: Design Manual Revision - Interception Ditch and Levee - Special Provision**

**Body**

-----  
**We are mailing under separate cover several copies of the following pages in the Policy-Procedure and Design Manual that have been revised as described below:**

## **Page Subsection Description**

**14.16 14.3.8.5 Three additional sentences were added at the end of this subsection to provide for payment of interception ditches and levees on a linear basis.**

**A copy of the standard special provision that will be inserted in the contract to provide for linear measurement and payment of interception levees and ditches has been attached for your information.**

**This revision should eliminate some work in the preparation of plans and should be applied to all future projects. It is not our intent, however, that partially completed plans be revised, if it will cause any additional work or delay in completing the plans.**

**C. C. Tevis  
Engineer of Surveys and Plans**
