Body

TO ALL DIVISION, DISTRICT AND URBAN ENGINEERS:

The following changes should be made to all cross index reference lists previously furnished in the recent revision of the Federal Aid Primary System of Routes, including Urban extensions. It would be appreciated if all records and future correspondence were changed accordingly.

Previously Assigned Number Corrected Number

U-36-2(5) U-11-1(1)

F-21-2(4) F-21-2(6)

F-61-1(1) F-61-1(3)

These changes are essential in order to avoid a duplication in project numbers in the Washington Accounting Office of the Bureau of Public Roads.
