Subject: Special Provision Water Line Installation

Body

ALL DIVISION, DISTRICT AND URBAN ENGINEERS:

The attached special provision for Water Line Installation was prepared to include cast iron pipe with Push-on joints as an alternate for use in encasement conduits. The type of pipe is specified in the contract.

Section 92.5.3 has been deleted and Section 92.6.2.1 has been added to set out that no direct payment will be made for fittings.

The new special provision will be included in all future contracts, where applicable, beginning with the March 1964 letting.
