Body

ALL DIVISION, DISTRICT AND URBAN ENGINEERS AND CHIEF COUNSEL

As you know, Thursday, March 5, 1964 was the deadline date for receiving completed plans by this office for the May 28, 1964 Letting.

We are indeed pleased to announce that plans for all projects included in this letting were received on or before this deadline date. This is the first time that this has happened in quite some time, and we wish to take this opportunity to commend those who have had a part in this concentration of effort.

We trust that each District and Urban office will continue to cooperate in this respect so that better service can be provided by this office with this length of time to do so.

Engineer of Surveys and Plans
