Subject: Additional Projects for Letting Schedule - Fiscal Year 1965

Body

ALL DIVISION, DISTRICT AND URBAN ENGINEERS AND CHIEF COUNSEL

Recently, each of you received a copy of the letting schedule for Fiscal Year ending June 30, 1965. This letting schedule was prepared in accordance with tentative letting dates submitted by you for those projects included on the Program for Fiscal Year 1964-65 of the Five-Year Right-of-Way and Construction Program for the Primary, Urban, Supplementary, and Interstate Systems. In all probability it will be possible to advance some projects to letting status during this fiscal year over and above those included in the recent letting schedule which you received.

Would you please examine the Construction Program, especially the projects scheduled for Fiscal Year 1965-66, and furnish this office with a list of those projects programmed for letting during that year that could be advanced for letting during the 1964-65 Fiscal Year, with a suggested date that the project will be ready for letting. Please furnish such information as soon as possible, but not later than July 7, 1964.

It is not the intent that any project scheduled for letting during the 1964-65 Fiscal Year be delayed, but rather that they be let as scheduled, and certain projects from the 1965-66 Fiscal Year be ready for letting, should funds become available. Your usual fine cooperation is appreciated.

L. V. McLaughlin
Engineer of Surveys and Plans
