Body

ALL DIVISION, DISTRICT AND URBAN ENGINEERS AND CHIEF COUNSEL

The deadline date for receiving completed plan tracings in this office for the projects included in the October 1, 1964 letting has passed. We are sorry to report that one District has prevented us from having a perfect record by not submitting plans for one project on time.

This is the second month in a row that we have missed our goal, so let us try a little harder to have all of the plans ready for the November 5th letting. The deadline date for plan submission for the November letting is August 13, 1964, which is approximately two weeks from now.

We would like to express our appreciation to those Districts that have kept their work on schedule.

Engineer of Surveys and Plans
