

Design Standards Letter

Letter Number: G-1964-39

Letter Date: 07/29/1964

Effective Date: 07/29/1964

Section/Plan No.: None

Subject: Design Manual Revision Section IV Reconnaissance and Location

Body

ALL DIVISION, DISTRICT AND URBAN ENGINEERS AND CHIEF COUNSEL

Attached hereto are several copies of revised Section IV of the Design Manual.

This section was revised to add Subsection 4.3..2, Bridge Replacements and Short Reconstruction Projects.

Since it is considered neither necessary nor desirable for the Main Office to prepare reconnaissance reports on projects of this nature, the revision outlines the procedure to be followed by the Districts.

L. V. McLaughlin
Engineer of Surveys and Plans
