Body

ALL DIVISION, DISTRICT AND URBAN ENGINEERS AND CHIEF COUNSEL

Thursday, September 24, 1964 was the deadline date for receiving completed plans tracings in this office for the projects included in the December 17, 1964 Letting.

We are indeed disappointed that our perfect record of last month has been broken by four Districts, involving five projects scheduled for this letting, but hope that we can report 100% plan submission for the January letting.
