Subject: Check List for Design Manual and Index of 1965 General Letters

Body

ALL DIVISION, DISTRICT AND URBAN ENGINEERS AND CHIEF COUNSEL:

We are transmitting, under separate cover, several copies of a check list for the Design Manual and an index to the 1964 General Letters.

The check list for the Design Manual was prepared to provide a single listing against which your manual may be checked both for the proper pages and the applicable revision dates. Since this check list is valid only as of January 1, 1965, every effort should be made to check your manuals as soon as possible. Please advise this office if any errors are noted in this list.

We believe the index to the 1964 General Letters to be self-explanatory.

Engineer of Surveys and Plans
