Screening Plans

ALL DIVISION, DISTRICT AND URBAN ENGINEERS AND CHIEF COUNSEL:

The Commission in August, 1965, approved ten [9?] projects for screening unsightly areas on the Primary System. Landscape Architects from the Division of Maintenance and Traffic will prepare the screening plans for these ten projects.

Plan data for preliminary plans prepared in the District should be in accordance with provisions in Maintenance Letter No. 6, 1965, and Surveys and Plans General Letter No. 8A, 1965. The only additional information needed is the frontage limits of the unsightly area.

Mr. R. J. Ervin  
Engineer of Maintenance and Traffic
