Letter Number: G-1966-00

Letter Date: 03/29/1966

Effective Date: 05/27/1966

Section/Plan No.: None

Subject: Standard Drawing 21.55

Body

ALL HIGHWAY DESIGN ENGINEERS AND REVIEWERS

Surveys and Plans General Letter No. 8, 1966 revised Standard Drawing 21.55 by deleting references to guard posts for commercial entrance delineation. The Districts were advised by this letter that this revision would be effective with the May 27 Letting. However, you are expected to check plans in this respect since there will no longer be plan coverage for guard posts.
