Letter Date: 01/16/1967

Effective Date: 01/16/1967

Section/Plan No.: None

Subject: Interpretive Guide to Policy on Maintenance Responsibility and Designation of Outer Roadways Service Roads, and Relocated Local Roads

Body

ALL DIVISION AND DISTRICT ENGINEERS

Attached hereto are several figures which have been prepared to promote uniform interpretation of the subject policy with respect to the maintenance responsibility at grade separations, interchanges, and at-grade intersections.

It is suggested that only limited distribution of this guide be made to those directly concerned with the preparation of maintenance agreements with the affected counties.

L. V. McLaughlin
Division Engineer
