Letter Date: 12/22/1967

Effective Date: 12/22/1967

Section/Plan No.: None

Subject: Shouldering on Resurfacing Projects

Body

ALL DIVISION AND DISTRICT ENGINEERS AND CHIEF COUNSELS:

Shouldering by Maintenance Forces on resurfacing projects will not be permitted. Recent construction complications as a result of this procedure indicate that all such work should be done by contract on future projects.

All future resurfacing projects shall, therefore, include shaping shoulders or adjustment of existing stabilized shoulders to final resurfaced grade.

L. V. McLaughlin
