

Design Standards Letter

Letter Number: G-1968-18

Letter Date: 05/27/1968

Effective Date: 05/27/1968

Section/Plan No.: None

Subject: Design Manual Revisions Section IX Utilities

Body

ALL DIVISION AND DISTRICT ENGINEERS AND CHIEF COUNSEL:

We are furnishing you several copies of the following revised pages of the Design Manual.

Page 9.8 Item F. Material for Underground Facilities (other than cable). This provision has been revised in accordance with the policy sent to all District Engineers by letter of August 13, 1967.

Page 9.9 Continuation of the above revision.

Page 9.10 Retyped to provide space for the above.

Page 9.11 Added Sec. 9.4.2, Part 3, paragraph "D" covering locations in which, by State Law, the disposition of sewage and storm waters in one or more municipalities has been delegated to a particular statutory agency.

Page 9.12 Sec. 9.4.6.2. The word "following" is inserted between "the sections" on the third line to clarify the intent of the sentence.

Page 9.13 Retyped to provide space for the above.

Page 9.14 Sec. 9.4.6.5. The paragraph reference on the sixth line is changed from "9.4.6.3" to "9.4.6.4" to correct a typographical error.

Sec. 9.4.6.7. A paragraph is inserted following the first paragraph which states the intent of General Letter No. 17, 1968.

Page 9.14.1 Added page to provide space for the above.

Page 9.27 Corrected titles of Acknowledgments by Commission and by Corporation.

Page 9.28 Revised text of Acknowledgment by Corporation in accordance with the letter to all District Engineers dated May 13, 1968.

Page 9.28.1 Added page to provide space for the above.
