

Design Standards Letter

Letter Number: G-1969-04

Letter Date: 01/17/1969

Effective Date: 01/17/1969

Section/Plan No.: None

Subject: Preparation of Plans for Letting

Body

ALL DIVISION AND DISTRICT ENGINEERS AND CHIEF COUNSEL:

In order to facilitate the processing and preparation of plans for letting, "B" sheets and "Summary of Quantities" sheets will be required, as of the date of this letter, for all plans on which tracings have not been submitted to this office.

This will eliminate the need for quantity sheets submitted in the past for some Supplementary Highway projects.
