Subject: General Letter No. 18, 1969 Revised Standard Drawings

Body

ALL DIVISION AND DISTRICT ENGINEERS

We are furnishing you herewith several copies of the following revised drawings which will be used in applicable projects beginning with the hereinafter noted letting.

Drawing 503.00A

This drawing has been revised to correct the Approach Slab Areas in the table of Pavement Exceptions and Areas to read Sq. Yd. in lieu of Sq. Ft.

This drawing will be used beginning with the April 25, 1969, letting.

Drawing 612.20A

Sheet 1 of 4 revised to add a sign description in the table for sign W20-1C.

Sheet 2 of 4 was revised to indicate on the "Open Trench or Low Shoulder" sketch, the hazard on one side only. The note has been altered to explain the procedure where the hazard exists on both sides. Also, a new sign No. 4 (W20-1C) was added on the non-hazard side.

Sheet 3 of 4 was not revised.

Sheet 4 of 4 was revised in two areas. First, on the sketch of "Transition from Divided Highway to Two Lanes", a note was added to indicate the direction of stripes on the board with the arrow. Second, on the "Detour Around Construction Area..." sketch, the direction of the arrow on sign No. 4 was reversed and the same note added indicating the direction of striping.

This drawing will be used beginning with the May 23, 1969 Letting.
