Body

ALL DIVISION AND DISTRICT ENGINEERS

We are furnishing you herewith several copies of the subject sections of the Design Manual.

Please remove the entire respective section and replace with the revised pages and figures.

Due to the indeterminate situation regarding public hearing instructions as covered by General Letter No. 17, 1969, the section on reconnaissance and location has necessarily been abbreviated, and will be expanded at a later date, whenever these instructions can be included with some degree of permanency.
