Letter Date: 04/22/1970

Effective Date: 04/22/1970

Section/Plan No.: None

Subject: Computer Input Forms

Body

ALL DIVISION AND DISTRICT ENGINEERS

We are in the process of improving and reprinting most of the Surveys and Plans computer input forms. The following forms have been completed:

SP NUMBER REVISION DATE DESCRIPTION

270 To Be Added Earthwork Rerun Revision
271B January Header Card "B"
275 February Standard Detail II, Shoulder to
Shoulder
281 To Be Added Rock Data
250 April Horizontal Control Header Card
250A April Horizontal Control
272 March Vertical Curve Data, Profile
Grade Computation
273 March Horizontal Curve Data, Super
elevation and
Alignment Computation
276 March Yardage Control Sheet
277D February Prorate Station ^cL Shift,
Shoulder Widening,
Adjoin Code
277E To Be Added Prorate Station Ditch Design
278 April Ground Elevation or Rods
280A March Station Design, Roadbed and
Ditch Data
280B April Special Design Rock Slopes and
Benches
282 April Additional Yardage Quantities

Several of the above new forms have already been furnished to each District. The remainder are being distributed with this letter. These forms are to replace those which you now have in stock. Each new form has a revision date on it which should aid in stocking of the correct form.

In using these forms, only the originals are to be submitted to this office. Please do not submit carbon copies, machine copies, "cut-ups", "stick-ups", etc.

Additional copies of these forms may be obtained from this office. Specify form number and amount needed.

Leland D. Fletcher
Division Engineer
