Subject: Revised Computer Program and "Sign Sizing Program-Input Instructions" Booklet

Body

ALL DIVISION AND DISTRICT ENGINEERS

A revised computer program has been developed for use in sizing and locating copy on type STBC, STRC, SHRC, and SHBC signs. This program is now available for immediate use.

Furnished with this letter are a limited number of booklets entitled "Sign Sizing Program-Input Instructions." The instructions contained in this booklet are illustrated and are self-explanatory.

Also furnished with this letter is Revised Form SP-310 for submitting input data.

The same procedural sequence should be followed as in the previous program.

If further information or assistance is required, please advise.
