Subject: 1971 Recreational Area Access Road Construction and Maintenance Program.

Body

ALL DIVISION AND DISTRICT ENGINEERS

At the May, 1970 meeting, the Commission approved the 1971 Recreational Area Access Road Construction and Maintenance Program.

Reconnaissance reports for these recreational area access roads will be made by personnel from this office with District Assistance. Field surveys, public hearings, etc., will be handled in the same manner as other supplementary roads.

It will be necessary to obtain 100 Mile and Supplementary Agreements with the affected counties.

The attached list shows the route designation, description, project number and design traffic.
