Subject: Revised Standard Plan 806.00A

Body

ALL DIVISION AND DISTRICT ENGINEERS

Attached is revised standard plan 806.00A Erosion Control Netting.

This drawing has been revised to correct the title of the drawing to include the description for Type I and Type II netting. This drawing will be effective for the November Letting.

This change was required by the addition of Type III netting which was described in Job Special Provisions recently furnished. There will be no drawing for the installation of Type III netting.
