Subject: "ABC" Special Provisions - Pore Pressure Measurement Devices

Body

ALL DIVISION AND DISTRICT ENGINEERS

Attached is a copy of a special provision entitled Pore Pressure Measurement Devices. This provision will be included as an "ABC" special provision on projects as required by the Division of Materials.

Also furnished with this letter are five mylar reproducible drawings of a special sheet prepared for inclusion in the plans when pore pressure measuring devices are required. The special sheet must be completed with data regarding location and elevation required for each project.

Each District should carefully review all projects which have been submitted and advise immediately any project which will require the addition of this special provision.
