Subject: Revised Buy America Policy Special Provision and Form SP-14

Body

ALL DIVISION AND DISTRICT ENGINEERS:

Attached are copies of revised General Special Provisions "Buy America Policy", a revised listing of the General Special Provisions, and Form SP-14

The "Buy America Policy" special provision has been revised to include the option of bidding on foreign structural steel.

This provision has been deleted from the Required Federal Aid Provisions and will now be a throw-in to be included by the person processing the plans in the Headquarters Office.

The above revision is effective with the October, 1982 letting.
