Body

Contractors can expedite moving resurfacing operations on two-way roadways by using a third set of construction zone signs.

Beginning with the December 14, 1990 bid opening, please provide additional construction signs on all two-lane two-way roadway moving resurfacing projects. Also advise the contractor through a statement in the Traffic Control special provision that a third set of signs has been provided in the contract.

Application of the third set of signs is shown on the attached sheet.
