Subject: Temporary Erosion Control Measures - Revised Special Sheet No. 3 - Sediment Basin

Body

The formula for the approximation of effective volume for sediment basins has been removed. In the plan view the formulas for sizing the sediment basin have been revised. In the side view the effective length (LE) has been removed from the drawing. A copy of revised special Sheet No. 3 has been enclosed for reference. The above revisions are to be incorporated in plans for projects beginning with the March, 1993 letting.
