Subject: Temporary Erosion and Sediment Control

Body

There have been revisions to the job special provision "Temporary Erosion and Sediment Control" and the Temporary Erosion Control Special Sheets.

The revised special provision is available electronically in the usual manner.

Attached are copies of the November 1, 1994 revised special sheets. Temporary Silt Fence Ditch checks was revised on Sheet 2 and General Note Number 3 was revised on Sheet 5.

Also attached are new guidelines for implementing temporary erosion control measures. Please note the method for estimation the quantity for sediment removal has been significantly revised. There will be a fixed unit price of \$20 per cubic yard of sediment removal.

These revisions are effective for the December 9, 1994 bid opening.
