## Body

-----  
The Design Standards Section in the Support Center has revised the Metric Title Sheet. The revised Format sheet can be found in ProCADAM, under the "Desi, Format\_m" subdirectory, the file name is "title , md01,001,m,d". Detail #1, the Limited Access note, has been changed with respect to stationing. Due to Metric stationing having two additional digits to the right of the plus sign, this was creating problems to users trying to use the English sheet and keeping the detail justified.

This sheet is effective immediately for the July Bid Opening.
