

Design Standards Letter

Letter Number: G-1997-17

Letter Date: 12/15/1997

Effective Date: 12/15/1997

Section/Plan No.: S0107, S0108, S0202, S0203, S0304, S0403, S0606, S0617, S0725, S0726, S0806, S0902, S0903, S1000, S1045

Subject: Revisions to Job Special Provisions

Body

The following revisions and additions have been made to the Support Center Job Special Provisions, both English and Metric versions. The bid opening for which the change is effective and a brief explanation of the changes are provided below for each special provision. Please note that a revised special provision may be incorporated into a project prior to the effective date of the revised Job Special Provision. The new and revised special provisions can be found in the Job Special Provisions database in Lotus Notes.

ADDITIONS:

MISCELLANEOUS

Supplemental Revisions DSP-98-04 2/98 SUPPREV

This special provision was created as a means of incorporating revisions to the Standard Specifications. Items contained in this special provision are revisions which have not yet been incorporated into a Revision to the 1996 Standard Specifications (blue pack). This special provision will be modified as specifications need to be revised and when those specifications have been revised.

SECTION 806 - Erosion Control Blankets and Netting

Geosynthetic Reinforced Soil Slope System MSP-97-09 2/98 MSP9709
