

Design Standards Letter

Letter Number: G-1999-06

Letter Date: 04/06/1999

Effective Date: 06/01/1999

Section/Plan No.: F4-03.5

Subject: Non-Contractual Costs (Figure 4-03.5 of the Project Development Manual)

Body

Non-contractual costs have been adjusted to eliminate the "plus 3%" costs. On the other side of this page are the prices that are effective for the June letting.

The new Proposal and Estimate System (PES), being implemented by the Design Division's Bidding and Contract Services section, adds the 3% within the system. For the Financial Management System (FMS) to get the correct dollar amount from PES, non-contractual costs must be entered without the 3%.

These costs have been incorporated in the non-contractual item list for Estimate99.

dts

The below attached file is the non-contractual costs as discussed in the letter above.
