| NOTE | EXPLANATION   |
|------|---|
| 1    | The following listing shows the additions, revisions and deletions made to the General Headquarters Job Special Provisions between April 1 and June 30, 2000.   |
| 2    | In the job special provision database, Section 0003, AGC Updates heading was added specifically to inform Association of General Contractors of monthly revisions made to the job special provision database. This is also available on the MoDOT website.<br>These are not to be inserted into the job special provisions by designer. |
| 3    | As a reminder, changes to Materials special provisions and Design special provisions are not to be made without contacting appropriate office. If approval is granted, the MSP or DSP number should be deleted from the heading.  |
