

Design Standards Letter

Letter Number: P-2008-06

Letter Date: 12/24/2008

Effective Date: 02/01/2009

Section/Plan No.: SEE BELOW

Subject: Supplemental Revisions to the Missouri Standard Plans for Highway Construction

Body

The Supplemental Revisions to the *Missouri Standard Plans for Highway Construction*, effective February 1, 2009 are now available. These revisions will be in effect with the February 2009 bid opening.

Questions regarding the Supplemental Revisions to the *Missouri Standard Plans for Highway Construction* should be directed to Brian K. Williams, Central Office, Engineering Policy Group, at 573-751-9254 or myself at 573-751-3813.

REVISIONS:

203.10D Deleted page two of two of drawing due to outdated contents.

609.40P Revised to incorporate Group C Pipe and removed excavation notations for pipes included with drain basins. Removed specific details for bridge approach slab and concrete approach pavement as these details are contained in other drawings. Rearranged general notes to group similar subjects and removed those that are addressed by the drawing.

732.00P Revised note on installation details of concrete and metal pipe flared end sections to remove the structure excavation notation.

732.05C Minor spelling correction.

902.80J Incorporated the flashing yellow right and left arrow abbreviations.
