

Design Standards Letter

Letter Number: P-2009-05

Letter Date: 08/28/2009

Effective Date: 10/01/2009

Section/Plan No.: SEE BELOW

Subject: Supplemental Revisions to the Missouri Standard Plans for Highway Construction

Body

The following revisions will be incorporated into the *Missouri Standard Plans for Highway Construction*, which will be effective October 1, 2009. Copies will be available for purchase from MoDOT's Online Plans Room by September 15, 2009.

Questions regarding the *Missouri Standard Plans for Highway Construction* should be directed to Brian K. Williams, Central Office, Engineering Policy Group, at 573-751-9254 or myself at 573-751-3813.

MINOR REVISIONS:

608.00H *Sheet 1 of 2 and Sheet 2 of 2* – Deleted isometric details and incorporated general notes for sidewalks.

903.03BH *Sheet 1 of 11* – Deleted notes for perforated square steel tube that allowed a splice between 18 in. and 60 in.

Sheet 7 of 11 – Incorporated details for Type 3 Object Marker placement.

MAJOR REVISIONS:

608.10N *Sheet 1 of 4* – Deleted details for sidewalks across driveways, and moved references to standard plan 608.00. Incorporated several changes to sidewalk typical sections.

Sheet 2 of 4 – Added numerous general notes to describe full ADA compliance. Classified curb ramp flares as traversable and non-traversable.

Sheet 3 of 4 – Incorporated new sheet to show parallel and diagonal curb ramp details.

Sheet 4 of 4 – Incorporated new sheet to show parallel and perpendicular curb ramp details.
